Complete Tasks

- Complete SAD Document
 - + Draw MVC for each component
 - + Draw class diagram for each component

Review:

- All team members complete tasks

Problems:

- The performance of team members has been inconsistent, with some individuals struggling to meet deadlines and deliverables.

Solution and Lesson:

- Create more regular performance reviews and feedback sessions.
- Team members encourage to ask for help when facing difficulties or tight deadlines
- Waiting for feedback for old PAs.

Upcoming :

- PA4: Revised SAD document nad UI prototype
